Day 1 — Foundations & Learner Lifecycle

Thursday, 9 July 2026 · 10:00 AM – 1:00 PM

Time	Topic	Type
10:00 – 10:20	Welcome, platform overview, roles	Presentation
10:20 – 10:45	Public website tour	Demo
10:45 – 11:15	Learner signup & student management	Hands-on
11:15 – 11:30	Break	
11:30 – 12:15	Courses, programs & approvals	Hands-on
12:15 – 12:45	Enrollment workflow end-to-end	Hands-on
12:45 – 13:00	Day 1 recap & Q&A	Discussion

Platform roles

Role	Who	Dashboard
Admin / Staff	Head office	Full admin menu
Partner company	Institution admin	Scoped to institution
Instructor	Teachers	Courses, materials, quizzes
Learner	Students	My courses, payment, certificates
Meeting user	Webinar coordinator	Signups & schedules only

10:00 – 10:20 · Platform overview

Xander Learning Hub is a full e-learning system: public catalog, signup, Stripe payments, course materials, Zoom live classes, quizzes, certificates, webinar booking, marketing banners, partner institutions, and revenue/payout management.

10:20 – 10:45 · Public website

Page	URL	Purpose
Homepage	/	Hero, courses, star banner
Programs	/courses	Course catalog
Sign up	/signup	Learner registration
Book meeting	/meeting-registration	Appointment booking
Login	/login	All roles

10:45 – 11:15 · Student management

Enrollment statuses

Status	Meaning
Enrolled	Applied — awaiting approval
Approved	Approved — payment may be due
Paid	Payment complete — full access
Completed	Finished — certificate eligible
Rejected	Declined

Admin path: Dashboard → Student Management → Approve student → Approve enrollment → Mark paid

Exercise 2: Register a test learner, approve in admin, mark paid. Confirm course appears in learner My Courses.

11:30 – 12:15 · Courses & programs

- **Programs** — group courses (Dashboard → Programs)
- **Courses** — admin creates Active course OR instructor submits → Course Approval
- **Study Shifts** — weekly time slots learners pick at signup

Exercise 3: Create program + course + study shift. Verify on public catalog.

12:15 – 12:45 · Full enrollment workflow

- ☐ Course is Active on catalog
- ☐ Learner signs up at /signup
- ☐ Admin approves student
- ☐ Admin approves enrollment
- ☐ Learner pays (Stripe) or admin marks paid
- ☐ Learner accesses materials in My Courses

Day 2 — Operations, Live Learning & Growth

Friday, 10 July 2026 · 10:00 AM – 1:00 PM

Time	Topic	Type
10:00 – 10:25	Payments, revenue & instructor payouts	Demo
10:25 – 11:05	Zoom, live classes, recordings, cohorts	Hands-on
11:05 – 11:20	Break	
11:20 – 11:50	Webinar booking & meeting registration	Hands-on
11:50 – 12:15	Marketing & partner institutions	Hands-on
12:15 – 12:40	Instructor tools demo	Demo
12:40 – 13:00	Analytics, certificates, Q&A	Wrap-up

10:00 – 10:25 · Payments & revenue

Menu	Purpose
Payment Management	Stripe transactions, manual status
Revenue Management	Platform vs instructor split, charts
Instructor Payouts	Approve/reject payout requests

10:25 – 11:05 · Live sessions (4 types)

Feature	Menu	Use for
Zoom Meetings	Zoom Meetings	Ad-hoc staff meetings
Live Classes	Live Classes	Course-scheduled sessions
Webinar Signups	Webinar Signups	Public booking → approve → email
Live Cohorts	Live Cohorts	Queue + host studio

Exercise 6: Create Zoom meeting + schedule Live Class on demo course.

11:20 – 11:50 · Meeting registration

Public: `/meeting-registration` — pick time, enter details, select booking reason.

Admin: **Webinar Signups** — Approve / Reschedule / Remind / Reject.

Admin: **Schedules** — define bookable slots. If none: contact info@xanderglobalscholars.com shown.

Exercise 7: Book test meeting → approve in Webinar Signups.

11:50 – 12:15 · Marketing

- **Advert Banner** — top promo strip (headline, coupon, countdown)
- **Star Banner** — homepage middle-right blinking promo
- **Partner Institutions** — onboard partners, branded portals

12:15 – 12:40 · Instructor tools

Materials upload · Quizzes (incl. AI) · Live Classes · Students · Performance · Earnings

12:40 – 13:00 · Analytics & certificates

- **Reports & Analytics** — enrollments, revenue, demographics
- **Certificates** — PDF with QR; verify at `/verify/certificate/...`
- **View as** — impersonate learner/instructor for support

Final competency checklist

Skill	Day
Explain roles & navigate public site	1
Approve learner enrollment & mark paid	1
Create course, program, study shift	1
Manage payments & revenue	2
Create Zoom meeting & live class	2
Approve webinar signup & reschedule	2
Publish marketing banners	2
Use analytics & View as support	2
